

WHAT IS EPIC ARTS CAFE?

We're a **social enterprise cafe** founded in 2006. We provide an inclusive workplace by showing our community we can have a job even if we have disability.

Every year our social enterprises fund over 50% of Epic Arts' budget. This means **every coffee that you buy helps people with disabilities get an education** here in Kampot.

Try out some Cambodian Sign Language.

Most of our staff are ex-students of our programs. Some of us are deaf, so we are not being rude or ignoring you, we simply can't hear you. Using our order form to tell us what you would like is one way you're contributing to our inclusive environment.

WHAT IS EPIC ARTS?

Epic Arts is an inclusive arts organisation based in Kampot and a registered charity in the UK. We use the arts as a form of expression and empowerment to bring people with and without disabilities together because every person counts. We have three programmes, Inclusive Education, Community and Social Enterprise. Find out more about us on our website or follow us on social media.

EVERY PENNY COUNTS

We're a small NGO doing big work here in Cambodia. Every year **over 50% of Epic Arts budget is self funded through our social enterprises**, like Epic Arts Cafe. We're grateful for all donations big and small, if you'd like to donate to Epic Arts, we've made it easy:

Add a donation to your bill, whether it's \$1, \$5, or any other amount. Simply write it in the box on your order form.

Donate online at EpicArts.org.uk/Donate or simply pop some **cash into the donation box**.
